## Defensive Camp

July 10-11, 2019

Georgetown College

Georgetown, KY

### Comments from Rick Bolus:

*Nine out of ten coaches* at all levels will tell you that the thing that wins games is **defense**. For that reason, we are having a **defensive camp** this summer, July 10-11, 2019, at Georgetown College in easy-to-reach Georgetown, KY, near Lexington. Many college coaches are *reluctant* to recruit players who can't play defense *regardless* of how good players may be on offense. Coaches in close games always want their top defenders down the stretch of a game when defense wins it. Do you ever find yourself sitting on the bench when the game is close? Being a good defensive player will help your stock *rise* among your present coach and college recruiters.

Our **experienced staff** will guide you through an intense yet enjoyable two days. Also, **there will be low player/coach ratio to provide you with more individual attention**. If you are looking to take your game to the next level, then let the **High Potential "Blue-Chip" Defensive Camp** *assist you in taking your game to its highest potential!* Now, let's "**D**" up!!!
