

Rick Bolus' High Potential "Blue-Chip" Basketball

Offensive Camp (Regardless of One's Position)

June 30, 2020

MidAmerica East Sports Center

Louisville, KY

Comments from Rick Bolus:

"Athletes are born, offensive players are made." With that in mind, the Rick Bolus **High Potential "Blue-Chip" Shooting Camp** will be held June 30 at MidAmerica East Sports Center in **Louisville, Kentucky** at 2401 Stanley Gault Parkway. It is located off **I-265 (exit 29)** between **I-71** and **I-64**. This ultra-successful camp has proven to be an invaluable experience for the attending players.

Shooting and offensive moves are two aspects of the game that you can work at on your own. There are legendary stories of players practicing their shooting endlessly making them great marksmen. But in order to do so, they had to have the proper techniques and offensive moves. That is where the **High Potential "Blue-Chip" Offensive Camp** can make the difference.

From free-throws to 3-point shooting to inside and outside offensive moves, you will be expertly taught the fundamentals that you will take home and work on. You will be instructed on the *right way* to shoot and score. Your only challenge is to follow through. Know that every college coach cherishes the pure shooter.

Our **experienced staff** will guide you through an intense yet enjoyable day of camp. If you are looking to take your game to the next level, then let the **High Potential "Blue-Chip" Offensive Camp** assist you in getting your game to its highest potential!
