

# Rick Bolus' High Potential "Blue-Chip" Basketball

## Point Guard Camp

July 10-11, 2019

Georgetown College

Georgetown, KY

### Comments from Rick Bolus:

The phone call or email that I get the *overwhelming majority* of the times from college coaches is their requests for **point guards**. The reason is that 99% of coaches **regardless of what level** will tell you that the point guard is the **most important position on the team and floor**. The team's playmaker is an *extension of the coach* and is literally like having a *coach-on-the-floor*. For that reason, we are having our point guard this summer July 10-11, 2019, at Georgetown College in easy-to-reach Georgetown, KY, near Lexington.

Our **experienced staff** of coaches will guide you through an intense, yet enjoyable two days. If you are looking to advance your game to the next level, then let the **High Potential "Blue-Chip" Point Guard Camp** assist you in taking your game to its highest potential!
